Version: 1.0

Date: 2023-02-27

General information

To maintain the product approvals, the information given by the manufacturer in this manual must be followed.

- Operators should be trained and have skills in repairing 3M™ PELTOR™ products.
- Only spare parts noted in this service guide are approved to be used. Use of parts other than those listed can affect the product approval.
- Never modify or alter the product.
- Always read and follow all User Instructions.
